Together with the Ferny Hills State School Leadership Team, the FHSS P&C Association supports The Student Dress Code for The Ferny Hills State School. FHSS P&C believes that the dress code promotes the objectives of the Education (General Provisions) Act 2006.

In particular, the Ferny Hills State School P&C Association supports the intention of a student dress code in providing a safe and supportive teaching and learning environment by:

- ready identification of students and non-students at school
- eliminating distraction of competition in dress and fashion at school
- fostering a sense of belonging
- developing mutual respect among students through minimising visible evidence of economic or social differences.
