### Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Supported the school's focus on Reading reviewing data regularly and introducing Literacy blocks.
- Supported Guided Reading in every classroom with key staff trained to use the Fountas and Pinnell program to track reading
- Drove curriculum delivery with increased alignment with a Curriculum Coordinator.
- Provided coaching and mentoring for all staff.
- Reviewed class data regularly with each staff member to ensure they know their students and their data to inform goals and targets.
- Provided hearing tests for every Prep child to assist in the early identification of hearing issues that may affect oral language.

Targets:

- Increase the number of Year 3 students in the NMS for reading to 87% and the U2B to 30% by the end of 2016.
- Increase the number of Year 5 students in the NMS for reading to 90% and the U2B to 18% by the end of 2016.

Achievement

- Year 3 NMS 100% U2B 52.6%
- Year 5 NMS 96% U2B 34%
